

NCPCM Directories – Additional Copies

By now, all NCPCM members should have received their new 2008 NCPCM Membership Directory. We are extremely pleased with its appearance and usefulness. Naylor Publications did an excellent job in putting the information together for us.

Each member firm (in good standing) received **one** copy free of charge and each advertiser received two copies free of charge. Members may purchase additional copies at cost of \$25.00 each plus 6% NC Sales Tax (\$26.50 total). (Multiple copies can be purchased at a discount, see form below.) **Membership Directories are not available to non-members.**

If you would like to order additional copies of the directory, please notify us in writing by fax (919) 782-4414 and include a credit card number. If a credit card is not available, mail a check with the form below to the address below.
