The North Carolina Petroleum and Convenience Marketers Scholarship Plan is designed to assist convenience store employees, direct store delivery vendors, and their immediate families with financial help for attending a post high school institution of their choice. Selection criteria includes academic achievement, work history, community involvement, and financial need, but does not consider age, race, color, or sex. The school must be an accredited vocational school, two-year or four-year college or university. The plan is administered by the North Carolina Petroleum and Convenience Marketers.

#### **Who is Eligible?**
